Harbor Happenings

Congratulations to Ted Kelley WINNER of the Lake Pickwick Parade of Lights for Vessels over 50 ft. Ed Mansell and family were the winners of vessels 25—50 ft. Thank You also to Tim Hill and Jerry Gann.

The Electric Rate has increased to .10322 per unit. Please note this is a pass through from Florence Utilities. The Harbor reads each individual meter every month and records individual usage. The Harbor bills each slip holder for only the units they use. The Harbor pays the utilities on your behalf prior to your monthly invoice. Keep in mind that the Harbor utility bills are due prior to your paying your invoice. When you fail to pay your invoice in a timely manner, it is difficult for the Harbor to pay your utility bill for you.

January 5th, 5:30 pm is the next Slip Holder's Association Meeting to be held in the Harbor Restaurant. Officers will be elected during this meeting from the board members serving who are A-Dock, Tim Hill & Carol Beberniss; B-Dock, Jim Longshore & Roger Griffin; C-Dock, Jerry Gann & Jeff Miller; D-Dock, Martha Moore & Ed Mansell. Harbor suggestions should be brought to one of the association board members for discussion at monthly meetings.
