are due NOW! Leases were mailed last month. If you have returned your lease and proof of insurance, THANK YOU! If you need another copy or are unsure if a lease is required for you, please contact the marina office and I will be glad to send you another copy. If you have questions regarding your lease, I will be available again Saturday, May 16th from 1—2 pm to answer your questions. If you have not provided the marina with your moorage lease and proof of insurance by May 20, 2009, the marina will assume you prefer a month-to-month lease which is your current rate, plus 20%.

## Folks at the Harbor

Bummer, my boat will not start and I want to take my son fishing while on Spring Break, so we just rented the Harbor Pontoon Boat and we caught the catfish limit for the day, Mark and Andrew Sparks, Birmingham.

The Fuel Dock has been spruced up with new evergreen trees and summer plants.

Ramona Martin, sporting her motorcycle on her way to her Chris Craft on D Dock.. You go, girl!

Happy Birthday, Don Juan Gillis! Like your birthday present!!! The new boat doesn't have a name yet. Suggestions are Welcome!
