Harbor Happenings

American Bass Anglers (ABA) Association and the Forest Lee Woods (FLW) Stern Fishing Tournaments were held at McFarland Park in November. The Harbor was filled with fog for the start early in the morning. Each afternoon for weigh-in the harbor was again filled with boats and anglers.

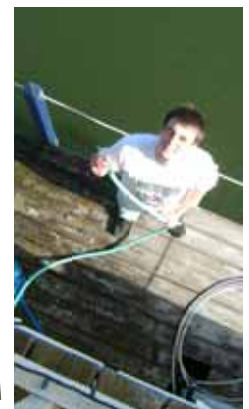

CONGRATULATIONS to Martha Moore, "D" Dock, & Clyde Hill who were married in Florida last month.

◆ Msd inspections are now due for 2010. Please call the marina office to schedule your inspection.

Marine police will be issuing tickets for outdated

◆ **MAINTENANCE PROJECTS ARE UNDERWAY DURING THE SLOW SEASON!! NEW FLOOR, KITCHEN VENTS, FIRE EXTINGUISHERS TESTED AND CLEANING, CLEANING, CLEANING.....**
IF POWER OR WATER MUST BE TURNED OFF, SLIP HOLDERS WILL BE NOTIFIED.

REMEMBER: This time of year there is sometimes the threat of an over night freeze. We have gone to each slip and dropped the spigot and water line attached to the main line into the river. This will keep it from freezing and possibility cracking. If you come to the marina to clean your boat please be sure to detach you hose/s and drop the spigot back into the water. If you wish to leave your hoses attached then please be sure to turn the water off at the spigot and dropping the assembly into the water before leaving you boat.
